Chapter 1 by Abi Somerset

Crunch! is the sound of the rotted black branches when i step on the dry crisp floor. I was playing with my friends in the field but i had an urge to go into the forest and explore the forbidden floors of the mysterious place. What is that ? a faint song in the distance , as i step forward it gets louder and louder till i see the source of the sweet melody, a beautiful young woman with snow coloured skin , silk hair like the night sky , a white silk dress and wings of chitin while she rocks a little boy as pale a snow, with miniature wings of chitin and thick silk shorts.
